RELEVANT EXPERIENCE

Boston College Department of Computer Science | Chestnut Hill, MA

Aug. 2025 - Present

Undergraduate Teaching Assistant

- Led a weekly discussion section of 10+ students for Computer Science 2, clarifying challenging concepts and walking through coding questions in C++.
- Graded student homework assignments by creating and utilizing shell test scripts while coordinating a grading schedule with fellow TAs.
- Hosted office hours throughout the course of the week, providing one-on-one support for students.

XYZ Homework | Remote

June 2025 - August 2025

Software Development Intern

- Programmed Calculus 1, Calculus 2, Linear Algebra, and Multi-Variable Calculus questions and wrote detailed solutions using the IMathAS assessment tool, PHP, and GeoGebra API integration, ensuring balanced difficulty and accurate solutions.
- Performed peer reviews, correcting errors in the math logic, detailed solutions, and the styling of written questions.

Medfield Parks and Recreation | Medfield, MA

June 2020 - August 2024

Adventure Camp Site Supervisor

- Developed and implemented camp-wide policies to ensure the safety of all campers and staff throughout the week and during field trips.
- Supervised and assessed the staff, providing constructive feedback for counselors throughout the summer.

Adventure Camp Counselor

- Collaboratively led groups of children ages eight to thirteen in daily activities such as dodgeball and water balloon toss.

PROJECTS

Portfolio Website | Personal Project

Sept. 2025

- Designed and developed a personal portfolio using React.js and Tailwind CSS to showcase projects, relevant skills, and personal hobbies.

PeerAssess | Software Engineering Group Project

May 2025

- Collaborated with a team of 4 to create a full-stack Django application that allows BC students and professors to login using Google OAuth authentication, write and edit peer assessments, and receive real-time feedback and statistics on their work.

LEADERSHIP EXPERIENCE

Boston College Campus Activities Board | Chestnut Hill, MA

Sep. 2022 - Present

Operations Coordinator for Trips And Excursions

- Communicated with vendors and fellow coordinators to plan off-campus activities, create and lead internal bonding experiences for the Trips and Excursions department, and staff campus-wide events aimed to promote inclusivity and engagement for students on campus.
